

# imagine

## Ariana Grande

[Verse 1]

Step up the two of us, nobody knows us

Get in the car like, "Skrrt"

Staying up all night, order me pad thai

Then we gon' sleep 'til noon

Me with no makeup, you in the bathtub

Bubbles and bubbly, ooh

This is a pleasure, feel like we never act this regular[Pre-Chorus]

Click, click, click and post

Drip-drip-dripped in gold

Quick, quick, quick, let's go

Kiss me and take off your clothes

[Chorus]

Imagine a world like that

Imagine a world like that

We go like up 'til I'm 'sleep on your chest

Love how my face fits so good in your neck

Why can't you imagine a world like that?

Imagine a world[Verse 2]

Knew you were perfect after the first kiss

Took a deep breath like, "Ooh"

Feels like forever, baby, I never thought that it would be you

Tell me your secrets, all of the creep shit

That's how I know it's true

Baby, direct it, name in the credits

Like the movies do

[Pre-Chorus]

Click, click, click and post

Drip-drip-dripped in gold

Quick, quick, quick, let's go

Kiss me and take off your clothes[Chorus]

Imagine a world like that

Imagine a world like that

We go like up 'til I'm 'sleep on your chest

Love how my face fits so good in your neck

Why can't you imagine a world like that?

Imagine a world[Outro]

Can you imagine it?

Can you imagine it?

Can you imagine it?

Can you imagine it?

Can you imagine it? (Can you imagine?)

Can you imagine it? (Can you imagine?)

Can you imagine it? (Ooh)

Imagine that

Imagine it, imagine it

Imagine it, imagine it

Imagine, imagine

Imagine, imagine

Imagine, imagine
