

Scary Love

The Neighbourhood

Move to the city with me
Don't wanna be alone (don't wanna be alone)
Look real pretty for me
Baby, I know, that it's true, yeah
Even better when you first wake up
Than anybody else I've loved
Baby, I'm not good enough with you
I didn't know we'd get so far
But it's only the start
Baby, you got me worried (hey!)
Your love is scaring me
No one has ever cared for me
As much as you do
Ooo, yeah, said I need you here
Your love is scaring me
No one has ever cared for me
As much as you do
Ooo, yeah, said I need you here
Come to the city with me
Just want to be loved
You're too pretty for me
You're in control (it's on you now, baby)
Yeah, even better every day, I swear
Baby, it's a little unfair
Honey, I'm so struck by you
I didn't know we'd get so far
But it's only the start
I said baby, you got me worried (yeah!)
Your love is scaring me
No one has ever cared for me
As much as you do
Ooo, yeah, said I need you here (I do)
Your love is scaring me
No one has ever cared for me
As much as you do
Ooo, yeah, said I need you here (yeah)
If it's tearing apart
It wasn't our favourite dream
Yeah, yeah, ahh
If we fall apart, it was a bitter dream
Oh-ohh
Your love is scaring me
No one has even cared for me
As much as you do
Ooo, yeah, said I need you here (I need you, babe)

Your love is scaring me No one, no, no, no, nobody like you, baby
Ooo, yeah
Yeah, ooo-ah, yeah, ooo, yeah
C'mon
