## Parx

Finally (woo) Meeting Mr. Right, the man of my dreams  
The one who shows me true love, or at least it seems  
With brown cocoa skin and curly black hair  
It's just the way he looks at me, that gentle loving stare  
Finally you've come along  
The way I feel about you, it just can't be wrong  
If you only knew the way I feel about you  
I just can't describe it, oh no no  
Finally it has happened to me  
Right in front of my face  
My feelings can't describe it (woo)  
Finally it has happened to me  
Right in front of my face  
And I just can not hide it  
Finally  
It has happened to me (woo)  
Finally  
It has happened to me (woo)  
It seems so many times you seemed to be the one  
But all they ever wanted was to have a little fun  
But now you've come along and brightened up my world  
And in my heart I feel it, I'm that special kind of girl  
Finally you've come along  
The way I feel about you it just can't be wrong  
If you only knew the way I feel about you  
I just can't describe it, oh no no  
Finally it has happened to me  
Right in front of my face  
My feelings can't describe it (woo)  
Finally it has happened to me  
Right in front of my face  
And I just can not hide it  
Finally  
It has happened to me (woo)  
Finally  
It has happened to me  
Finally you come along  
The way I feel about you it just can't be wrong  
If you only knew the way I feel about you  
Finally it has happened to me  
Right in front of my face  
My feelings can't describe it (woo)  
Finally it has happened to me  
Right in front of my face
