

# I'm Alright (feat. Jimi Ono)

[Rynx](#)

[Verse 1]

They can't put no walls around us  
Or when the ceiling crashes down  
And the roads they paved, they paved too fast for us  
You gotta prove it if you're fast enough[Chorus]  
And all my life, I couldn't recognize  
These people walking 'round, they're living lies  
And all this time, I couldn't recognize  
That I'm alright  
Yeah, I'm alright That I'm alright  
Yeah, I'm alright  
That I'm alright  
Yeah, I'm alright

[Verse 2]

They won't know where to find us  
'Cause they keep on looking down  
And what's a game if it's so serious?  
If we're to blame then what you see in us?  
You follow rules and that's not fine by us  
We're living lives like we couldn't get enough[Chorus]  
And all my life, I couldn't recognize  
These people walking 'round, they're living lies  
And all this time, I couldn't recognize  
That I'm alright  
Yeah, I'm alright That I'm alright  
Yeah, I'm alright  
That I'm alright  
Yeah, I'm alright

[Outro]

And all my life, I couldn't recognize  
These people walking 'round, they're living lies  
And all this time, I couldn't recognize  
Yeah, I'm alright  
Yeah, I'm alright  
Yeah, I'm alright That I'm alright  
That I'm alright  
That I'm alright  
Yeah, I'm alright
