

# This City

Sam Fischer

I've been seeing lonely people in crowded rooms  
Covering their old heartbreaks with new tattoos  
It's all about smoke screens and cigarettes Looking through low lights at silhouettes  
But all I see is lonely people in crowded rooms This city's gonna break my heart  
This city's gonna love me then leave me alone  
This city's got me chasin' stars  
It's been a couple months since I felt like I'm home  
Am I getting closer to knowing where I belong?  
This city's gonna break my heart  
She's always gonna break your heart  
I remember mornings where my head didn't hurt  
And I remember nights when art didn't feel like work  
She wakes up at noon and she's out 'til three  
She leaves her perfume all over me  
But I remember mornings where my head didn't hurt Oh, this city's gonna break my heart (It's  
gonna break my heart)  
This city's gonna love me then leave me alone  
This city's got me chasin' stars (It's got me chasin' stars)  
It's been a couple months since I felt like I'm home  
Am I getting closer to knowing where I belong?  
This city's gonna break my heart  
She's always gonna break your heart She got a hold on me  
She got me wrapped 'round her finger  
She got a hold on me  
She got me wrapped 'round her finger  
This city's gonna break my heart  
This city's gonna love me then leave me alone (It's gonna love me then leave me alone)  
This city's got me chasin' stars  
It's been a couple months since I felt like I'm home  
Am I getting closer to knowing where I belong?  
This city's gonna break my heart  
She's always gonna break your heart This city's gonna break my heart  
She's always gonna break your heart
