

# Drinking Alone

Carrie Underwood

[Intro]

(Ooh, ooh, ooh, ooh, ooh, ooh)

(Ooh, ooh, ooh, ooh, ooh, ooh)

[Verse 1]

Let me make one thing clear

You can buy me a beer, but you ain't taking me home

No pick up lines, I came here tonight to shed a few tears on my own

But sitting there across the room

I couldn't help but notice you seem a little down on your love too

Yeah, my heart might be breaking

But, this seat ain't taken

And you've got me thinkin'

[Chorus]

We should be drinking alone, together

Drownin' the pain is better

With somebody else who got problems

We ain't gonna solve 'em

But misery loves company

Tonight all I need is a stranger

Lips with a whiskey chaser

And a corner booth kiss to make me forget that he's gone

Oh, we should be drinking alone (Ooh, ooh, ooh, ooh, ooh, ooh)

We should be drinking alone, together (Ooh, ooh, ooh, ooh, ooh, ooh)

[Verse 2]

I don't know what she did to make you hurt like this

But, I know just what to do

It starts with a bottle of good Reposado

And ends with a shooter or two

Tomorrow when the sun comes up

Tonight's the night that never was

Baby, just forget my name

Won't be your one and only

But just 'cause we're lonely, don't mean that we should

[Chorus]

We should be drinking alone

'Cause drownin' the pain is better

With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss to make me forget that he's gone  
Oh, we should be drinking alone  
Drinking alone, drinking alone (Together)  
Maybe we shouldn't be drinking alone (We should be drinking alone)  
Drinking alone, drinking alone  
Baby, we shouldn't be drinking alone

[Bridge]  
I'll pretend that I care  
Baby, pull up a chair  
We'll stay here 'til they make us go home

[Chorus]  
We should be drinking alone (Ooh, ooh, ooh, ooh, ooh, ooh)  
Oh, we should be drinking alone, together  
Drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss to make me forget that he's gone  
Oh, we should be drinking alone (Drinking alone, drinking alone) together  
Maybe we shouldn't be drinking alone (We should be drinking alone)  
Drinking alone, drinking alone  
Baby, we shouldn't be drinking alone (Ooh, ooh, ooh, ooh, ooh, ooh)

[Outro]  
We should be drinking alone  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Ooh, ooh, ooh
