

You And Me

Boyce Avenue

What day is it
And in what month
This clock never seemed so alive
I can't keep up
And I can't back down
I've been losing so much time

Cause it's you and me and all of the people
With nothing to do
Nothing to lose
And it's you and me and all of the people
And I don't know why
I can't keep my eyes of you

All of the things that I want to say
Just don't coming out right
I'm tripping inwards
You got my head spinning
I don't know where to go from here

Cause it's you and me and all of the people
With nothing to do
Nothing to prove
And it's you and me and all of the people
And I don't know why
I can't keep my eyes of you

There's something about you now
I can't quite figure out
Everything she does is beautiful
Everything she does is right

Cause it's you and me and all of the people
With nothing to do
Nothing to lose
And it's you and me and all of the people
And I don't know why
I can't keep my eyes of you

You and me and all of the people
With nothing to do
Nothing to prove

And it's you and me and all of the people
And I don't know why
I can't keep my eyes of you

What day is it
And in what month
This clock never seemed so alive
