

# Life

## K-Ci & JoJo

[Intro]

Just like a birdie, I just want to fly free (so high, so high)  
And own a piece of land, somewhere, somewhere off in a country Oh, oh, yeah, listen  
Hey

[Verse 1]

Temperature's like a hundred degrees  
Like I got chains on me  
Black male in a family of three  
Been robbed of my destiny  
Reckon I'll fly away  
'Cause it's too much for the man  
Shouldn't have gone down this way  
What happened to my master plan?  
'Cause I can't figure out  
I could have been a loved child  
Shouldn't have gone down this way

[Chorus]

Tell me, how did I get life?  
Life, life, life, life, (Talk to me) life, life, life, life  
(Oh, how did I get life?)  
Life, life, (tell me) life, life, life, life, life, life

[Verse 2]

Oh somebody done done me wrong  
Done me wrong, me wrong  
Now eyes to the ceiling all night long, all night long  
Time is slipping away from me  
And it ain't no telling when I'll get home  
I gotta get home, yeah  
Just about to see the dollar signs  
That close to a piece of mine  
Everything was about to be fine

[Chorus]

So tell me, so how did I get life?  
Life, life, life, life, life, life, life, life  
Tell me, I wanna know now how

Life, life, life, life, life, life, life, life

[Bridge]

Everything (everything)  
I hope for (that I hope for)  
Is gone now (is gone now)  
Buried in the ground (buried in the ground)  
Hopes and dreams (my hopes and dreams)  
All those things (all those things)  
I'll never see (I will never never see)  
Said I'll never see (somebody gave me life)

[Chorus]

Life, life, life, life, (yes, they did) life, life, life, life  
Life, life, life, life, life, life, life, life (OOHH! Life)  
Life, life, life, life, life, life, life, life (say it again, say it again, yeah)  
Life, life, life, life, life, life, life, life
