

# Tripping Billies

## Dave Matthews Band

We were above  
You were standing underneath us  
We were not yet lovers  
Dragons were smoked  
Bumblebees were stinging us  
I was soon to be crazy  
Eat drink and be merry  
For tomorrow we die  
Eat drink and be merry  
For tomorrow we die  
Cause we're tripping Billies  
We're wearing nothing  
Nothing but our shadows  
Shadows falling down on  
the beach sand  
Remembering once, out on  
the beaches  
We wore pineapple grass bracelets So why would you care  
To get out of this place  
You and me and all our friends  
Such a happy human race  
We're tripping Billies We are all sitting  
Legs crossed around a fire  
My yellow flame she dances  
Tequila drinking, oh,  
our minds will wander  
To wondrous places  
So why would you care  
To get out of this place  
You and me and all our friends  
Such a happy human race  
Eat drink and be merry  
For tomorrow we die  
Eat drink and be merry  
For tomorrow we die
