

# Blood for Poppies

## Garbage

Salute the sun,  
I've been sitting here all night long  
Hauling rock, over Buddah with the longhorn  
Got a hole, rip a pocket off my uniform  
With the Black Watch boys  
Get your heads down  
Oooh  
Duty calls, but it's way too late  
I'm too far gone  
Waiting for God, oh hell  
With my pants down  
Crack the stash  
Then be quiet in the midday sun  
I miss my dog, and I miss my freedom  
Ooh ooh oohh  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm right  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm right I hate the things I think about you  
When I'm all alone  
I know you're tough  
But I've been gone  
For so long  
Play the memories of you  
Inside my head  
So all these pictures of us  
Burn and radiate  
Watch the clouds, and I'm falling  
Falling through the cracks  
Head beats  
And my heart is pounding fast  
Off the ground  
Into the starry dark, into your arms  
I'm falling  
Ooh ooh oohh  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio

It's by my side, and I know I'm right  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm rightMy brain my body's fried  
I've got to stay alive  
I've gotta take a chance and keep on moving  
Keep on movingI don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm right  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm rightI don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm right  
I don't know why they are calling on the radio  
They know I'm here just out of sight  
I don't know why they are calling on the radio  
It's by my side, and I know I'm right
