

# In the Garage

Weezer

[Verse 1]

I've got a Dungeon Master's Guide, I've got a 12-sided die  
I've got Kitty Pryde, and Nightcrawler too  
Waiting there for me, yes I do, I do  
I've got posters on the wall, my favorite rock group KISS  
I've got Ace Frehley, I've got Peter Dinklage  
Waiting there for me, yes I do, I do

[Chorus]

In the garage, I feel safe  
No one cares about my ways  
In the garage, where I belong  
No one hears me sing this song  
In the garage

[Verse 2]

I've got electric guitar, I play my stupid songs  
I write these stupid words, and I love every one  
Waiting there for me, yes I do, I do

[Chorus]

In the garage, I feel safe  
No one cares about my ways  
In the garage, where I belong  
No one hears me sing this song  
In the garage, in the garage, yeah!

[Guitar Solo]

[Chorus]

In the garage, I feel safe  
No one cares about my ways  
In the garage, where I belong  
No one hears me sing this song

[Outro]

In the garage, I feel safe  
No one laughs about my ways  
In the garage, where I belong  
No one hears me, no one hears me

No one hears me, no one hears me  
No one hears me sing this song
