God Gave Me You

Blake Shelton

I've been a walkin' heartache I've made a mess of me The person that I've been lately Ain't who I wanna beBut you stay here right beside me And watch as the storm blows through And I need youCause God gave me you for the ups and downs God gave me you for the days of doubt And for when I think I lost my way There are no words here left to say, it's true God gave me you Gave me you There's more here than what we're seein' A divine conspiracy That you, an angel lovely Could somehow fall for me You'll always be love's great martyr And I'll be the flattered fool And I need you Yeah!God gave me you for the ups and downs God gave me you for the days of doubt And for when I think I lost my way There are no words here left to say, it's true God gave me youOn my own I'm only Half of what I could be I can't do without you We are stitched together And what love has tethered I pray we never undo Cause God gave me you for the ups and downs God gave me you for the days of doubt God gave me you for the ups and downs God gave me you for the days of doubt And for when I think I lost my way There are no words here left to say, it's true God gave me you, gave me you
