

As Long As You Love Me

Justin Bieber

[Intro: Justin Bieber]

As long as you love me
(Love me, love me, love me, love me, love me, love me)
As long as you love me
(Love me, love me, love me, love me)
As long as you love me

[Verse 1: Justin Bieber]

We're under pressure (We're under pressure)
Seven billion people in the world tryna fit in (Tryna fit in)
Keep it together (Keep it together)
Smile on your face, even though your heart is frowning (Frowning)
But hey now (Hey now), you know, girl (You know, girl)
We both know, it's a cruel world (Cruel world)
But I will (But I will) take my chances

[Chorus: Justin Bieber]

As long as you love me
We could be starving, we could be homeless, we could be broke
As long as you love me
I'll be your platinum, I'll be your silver, I'll be your gold
As long as you love me, love me
As long as you love me, love me

[Verse 2: Justin Bieber]

I'll be your soldier (I'll be your soldier)
Fighting every second of the day for your dreams, girl
(For your dreams, girl)
I'll be your Hova (I'll be your Hova)
You could be my Destiny's Child on the scene, girl
So don't stress (Don't stress), and don't cry (And don't cry)
Oh, we don't need no wings to fly (Wings to fly)
Just take (Take), my hand

[Chorus: Justin Bieber]

As long as you love me
We could be starving, we could be homeless, we could be broke
As long as you love me
I'll be your platinum, I'll be your silver, I'll be your gold
As long as you love me, love me

As long as you love me, love me

[Verse 3: Big Sean]

Whoa, whoa, B-I-G

I don't know if this makes sense, but, you're my hallelujah

Give me a time and place, I'll rendezvous it

I'll fly you to it, I'll beat you there

Girl, you know I got you

Us, trust, a couple things I can't spell without 'U'

Now we on top of the world (World) 'cause that's just how we do

Used to tell me sky's the limit, now the sky's our point of view

Man, we stepping out, like whoa (Oh God)

Cameras point and shoot (Shoot)

Ask me, "What's my best side?"

I stand back and point at you, you, you

The one that I argue with, feel like I need a new girl to be bothered with

But the grass ain't always greener on the other side

It's green where you water it

So I know, we got issues baby, true, true, true

But I'd rather work on this with you

Than to go ahead and start with someone new

As long as you love me

[Chorus: Justin Bieber]

As long as you love me (Yeah, yeah, baby)

We could be starving, we could be homeless, we could be broke

As long as you love me

I'll be your platinum (Platinum), I'll be your silver, I'll be your gold

[Outro: Justin Bieber]

As long as you love me

As long as you love me

As long as you love me (I'll be your silver, I'll be your gold)

As long as you love me, you love me, you love me, yeah

(It's all I want, baby)

As long as you love me, you love me (Please don't go)

As long as you love me, as long as you love me

As long as you love me, yeah

As long as you love me (Love me, love me, love me, love me)
