

Right Now

One Direction

[Verse 1: Louis & Niall]

Lights go down and the night is calling to me, yeah
I hear voices singing songs in the street and I know
That we won't be going home
For so long, for so long, but I know
That I won't be on my own
Yeah, I love this feeling and

[Chorus: Zayn]

Right now, I wish you were here with me
'Cause right now, everything is new to me
You know I can't fight the feeling
And every night, I feel it
Right now, I wish you were here with me

[Verse 2: Liam & Harry]

Late night spaces with all our friends, you and me, yeah
Love these faces, just like how it used to be
And we won't be going home
For so long, for so long, but I know
I won't be on my own, on my own, I'm feeling like

[Chorus: Zayn]

Right now, I wish you were here with me
'Cause right now, everything is new to me
You know I can't fight the feeling
And every night, I feel it
Right now, I wish you were here with me

[Bridge: Zayn & Harry]

And I could do this forever
And let's go crazy together
Lights go down
And I hear you calling to me, yeah

[Chorus: Zayn & (Harry Styles)]

Right now, I wish you were here with me
(Right now, Ooh)
'Cause right now, everything is new to me
You know I can't fight the feeling

(You know, I - I)
And every night, I feel it
Right now, I wish you were here with me
(Right now, Ooh)
