

# Say You Do

Dierks Bentley

Well don't worry about the damage done  
Just let those words roll off your tongue  
Even if you're lying. If you really don't mean it I don't care  
If you need a little buzz to get you there  
Then baby I'm buying. Well couldn't you  
Say you do  
Say you might  
For tonight  
Have a heart  
Bend the truth even if you don't  
Couldn't you mess me up get in my head  
Steal my t-shirt  
Wreck my bed all night long like you used to  
Even if you don't couldn't you say you do.  
Yeah, baby I'm begging you to lead me on.  
Say it feels good to be back in my arms.  
And you don't call me.  
I don't mind a little smoke getting in my eyes.  
Baby, take your hands, take your lies  
And lay them on me. Well couldn't you  
Say you do  
Say you might  
For tonight  
Have a heart  
Bend the truth even if you don't  
Couldn't you mess me up, get in my head  
Steal my t-shirt  
Wreck my bed all night long like you used to  
Even if you don't couldn't you say you do.  
Well don't worry about the damage done  
Just let those words roll off your tongue  
Even if you're lying. Well couldn't you  
Say you do  
Say you might  
For tonight  
Have a heart  
Bend the truth even if you don't  
Couldn't you mess me up, get in my head  
Steal my t-shirt  
Wreck my bed all night long like you used to  
Even if you don't couldn't you say you do.  
Say you do.

Yeah, just say you do.  
Mmmmmm, girl I'm begging you do.  
Just say you do.  
Just say you do.
