

Because of Your Love

Kenny Chesney

[Verse 1]

Baby I don't understand
With just a touch of your hand
Can make me feel invincible
Do you know just where you take me
Do you know how high you make me
I need your kiss like oxygen
With your arms warm around me
When your eyes look deep into me
It's unstoppable
Baby anything is possible

[Chorus]

Everything I wanna be
Any dream I wanna dream I can
Because of your love
Anywhere I ever go
With all of my heart I know
I am the man I am
Because of your love

[Verse 2]

Don't know how I lived before you
Now I live to explore you
Take me girl to your secret world
Where I could swim in your deep blue passion
Or I could feel your love come crashing over me endlessly
Whether you're right by my side or
Whether you and I are a million miles apart
I can always feel you in my heart

[Chorus]

Everything I wanna be
Any dream I wanna dream I can
Because of your love
Anywhere I ever go
With all of my heart I know
I am the man I am
Because of your love

Everything I wanna be
Any dream I wanna dream I can
Because of your love
Anywhere I ever go
With all of my heart I know
I am the man I am
Because of your love

[Outro]
Oh baby
Because of your love
