

# I'm Yours (feat. Vic Mensa)

Justine Skye

I don't mean to show it on my face, babe  
And I don't mean to wear it on my sleeve  
But when we messed around  
Suddenly my hearts were found And now I wanna call you my baby  
I wanna be your best friend, yeah  
It's so crazy, amazing  
And you know it You know I'm feelin' you, and you like it  
You like it cause you know I'm yours  
You know exactly what to do, and I like it  
I like it cause I know I'm yours  
I'm yours  
Everybody's tellin' me I've been changin'  
Cause I ain't ever been in love before  
But we know what it is  
And I believe you're what I've been missing But now I wanna call you my baby  
I wanna be your best friend, yeah  
It's so crazy, amazing  
And you know it You know I'm feelin' you, and you like it  
You like it cause you know I'm yours  
You know exactly what to do, and I like it  
I like it cause I know I'm yours  
I'm yours  
She like my style, right? But that's to be expected  
But is your mind right? Are you self-reflective?  
Can you handle the limelight when you under pressure?  
Like 50 said, girl, 21 questions  
You're my Medicaid, prolly make me levitate  
What's up with the head? Ooh not to get ahead of things  
Don't be shy, just back it up on me  
Take your time, I like it when you slow me down  
I've seen so many girls tonight, I do not know what to do now  
But tell you you're mine And you know I'm feelin' you, and you like it  
You like it cause you know I'm yours  
You know exactly what to do, and I like it  
I like it cause I know I'm yours  
I'm yours
