Let me know, let me know

Let me know, let me know

Let me know

When I feel, what I feel

Sometimes it's hard to tell you so

You may not be in the mood to learn

What you think you know

There are times when I find

You wanna keep yourself from me

When I don't have the strength

I'm just a mirror of what I see

But at your best, you are love

You're a positive motivating force within my life

Should you ever feel the need to wonder why

Let me know, let me know

Let me know

When you feel, what you feel  
How hard for me to understand  
So many things have taken place  
Before this love affair began

But if you feel, oh, like I feel  
Confusion can give way to doubt  
For there are times when I fall short of what I say  
What I say I'm all about, all about

But at your best, you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know

Tell me what it is  
(Tell me what it is)  
There's no need to make believe  
(Make believe, no need to make believe)

Look beyond your own  
(Look beyond your own)  
Try to find a place for me

(Try and find another place for me)

'Cause at your best, you are love

You're a positive motivating force within my life

Should you ever feel the need to wonder why

Let me know, let me know

Let me know, let me know, let me know

See, stay at your best baby
