

# Gold (Betablock3r Remix)

Sir Sly

Mouth is made of metal, metal, metal Pocket full of yellow, yellow Pocket full of gold And I  
hope you find I hope you find your dream, yeah  
(Yea) And what did you say back to me?  
Dreaming, old maybach cruising Maybe talking crazy, but I want it A hundred thousand ways  
to choose it Who the hell is out and who's in?  
Trouble, maybe I'm too subtle  
Mouth made of metal, metal, metal  
Pocket full of yellow, yellow  
Pocket full of gold  
And I hope you find  
I hope you find your dream  
And darling never settle, settle, settle  
Chasing down the devil, devil  
Chasing down the gods  
And I hope you find  
I hope you find your dream  
I'm living like a silent movie  
Shut your mouth and see straight through me  
Finding that you're hiding in your money (money, m-m-money)  
I got a million ways to lose it  
But nothing in my life worth proving  
Chasing, all my time is wasted  
Mouth is made of metal, metal, metal  
Pocket full of yellow, yellow  
Pocket full of gold  
And I hope you find  
I hope you find your dream  
And darling never settle, settle, settle  
Chasing down the devil, devil  
Chasing down the gods  
And I hope you find  
I hope you find your dream  
It's the push and the pull  
It's the rise and the fall  
I don't owe you a single thing  
I don't owe you anything  
It's the push and the pull  
It's the big and the small  
I don't owe you a single thing  
Not a god damn thing

My mouth is made of metal, metal, metal  
Pocket full of yellow, yellow  
Pocket full of gold  
And I hope you find  
I hope you find your dream  
And darling never settle, settle, settle  
Chasing down the devil, devil  
Chasing down the god  
And I hope you find  
I hope you found your dream  
My mouth is made of metal, metal, metal  
Pocket full of yellow, yellow  
Pocket full of gold  
And I hope you find  
I hope you find your dream (I don't owe you anything)  
And darling never settle, settle, settle  
Chasing down the devil, devil  
Chasing down the gods  
And I hope you found  
I hope you find your dream (I don't owe you anything)
