

Girls

Beastie Boys

[Produced by Rick Rubin]

Girls – all I really want is girls
And in the morning it's girls
'Cause in the evening it's girls

I like the way that they walk
And it's chill to hear them talk
And I can always make them smile
From White Castle to the Nile

Back in the day
There was this girl around the way
She liked my home-piece MCA
He said he would not give her play
I asked him, "Please?" – he said, "You may."
Her pants were tight and that's ok
If she would dance, I would DJ
We took a walk down to the bay

I hope she'll say
"Hey, me and you should hit the hay!"
I asked her out, she said "No way!"
I should've probably guessed her gay
So I broke North with no delay
I heard she moved real far away
That was two years ago this May
I seen her just the other day
Jockin' Mike D. to my dismay

Girls – to do the dishes
Girls – to clean up my room
Girls – to do the laundry
Girls – and in the bathroom
Girls – that's all I really want is girls
Two at a time – I want girls
With new wave hairdos – I want girls

I ought to whip out my – girls, girls, girls, girls, girls!
