# Burn

# **Andra Day**

## [Verse 1]

I saved every letter you wrote me
From the moment I read them
I knew you were mine, said you were mine
I thought you were mine
Do you know what Angelica said
When we saw your first letter arrive?
She said, "Be careful with that one, love
He will do what it takes to survive."

## [Bridge]

You and your words flooded my senses Your sentences left me defenseless You built me palaces out of paragraphs You built cathedrals

## [Verse 2]

I'm re-reading the letters you wrote me Searching and scanning for answers In every line, for some kind of sign And when you were mine The world seemed to

> [Chorus] Burn Burn

## [Verse 3]

You published the letters she wrote you
You told the whole world how you brought
This girl into our bed
In clearing your name, you have ruined our lives
Do you know what Angelica said
When she read what you'd done?
She said, "You have married an Icarus
He has flown too close to the sun."

## [Bridge]

You and your words, obsessed with your legacy Your sentences border on senseless And you are paranoid in every paragraph How they perceive you You, you, you...

[Verse 4]

I'm erasing myself from this narrative Let future historians wonder how Eliza Reacted when you broke her heart You have torn it all apart I am watching it

[Chorus]
Burn
Watching it burn

[Bridge]

The world has no right to my heart
The world has no place in our bed
They don't get to know what I said
I'm burning the memories
Burning the letters that might have redeemed you

You forfeit all rights to my heart You forfeit the place in our bed You sleep in your office instead With only the memories Of when you were mine

[Outro]
I hope that you burn
