

# Clearest Blue (Gryffin Remix)

## CHVRCHES

Light is all over us  
Like it always was  
Like it always was Shaped by the clearest blue  
But it's not enough  
It's not enough, not enough Just another time I'm caught inside every open eye  
Holding on tightly to the sides, never quite learning why  
You'll meet me, you'll meet me  
You'll meet me halfway  
Whenever I feel it coming on, you can be well aware  
If ever I try to push away, you can just keep me there  
So please say you'll meet me  
Meet me halfway  
Tied to the shifting ground  
Like I always was  
Like I always was  
You were the perfect storm But it's not enough  
It's not enough, not enough, not enough  
Just another time that I go down but you are keeping up Holding to a hope you'll undermine,  
never to be reversed  
Just another time I'm caught inside every open eye  
Holding on tightly to the sides, never quite learning why Whenever I feel it coming on, you can  
be well aware  
If ever I try to push away, you can just keep me, tell me  
Tell me, tell me you'll meet me  
Tell me, tell me you'll keep me  
Tell me, tell me you'll meet me  
Will you meet me more than halfway up?  
...

By Clearest blue  
Shaped  
Will you keep it, half-a-way

Clearest blue  
Will you keep it, half-a-way

Clearest blue

Will you keep it, half-a-way
