

# Cabin by the Sea

## Dirty Heads

[Verse 1: Duddy B]

Well come with me to a place by the sea  
If your ship breaks down, you can always find me  
And Dirty J chillin' underneath the shady tree  
Our fans are always welcome with our friends and family  
And if you wish you can stay, as long as you please  
Just lend a helping hand up at our cabin by the sea  
Where everyday is beautiful, the sun, the sand, the breeze  
And everybody lives together here in harmony

[Bridge: Duddy B]

And we'll sing but just as loud as we please  
But then we will be, forever so free  
So come follow me, cabin by the sea

[Chorus: Dirty J]

Picture you and me in the cabin by the sea  
You paint the fence, I'll hang the tire from the tree  
Our friends are all around, and the storm was a no show  
Said we look better in the black and white photo  
Picture you and me in the cabin by the sea  
Sit up on a porch and we can burn a couple trees  
Our friends are all around, and the storm was a no show  
Said we look better in the black and white photo  
What the photograph don't show, is where we're headed tomorrow  
And when we have to go, we'll always be together in the black and white photo

[Verse 2: Duddy B]

Gather up some rocks and make a circle in the sand  
We'll fill it up with wood and build a fire with our hands  
The smoke starts to rise, the moon starts to shine  
You bring the weed, we'll bring the whiskey and the wine  
And we can pass it all around, until it's all gone  
Put a message in the bottle, put the cork back on  
We'll throw it in the sea, the message it will read  
If you find this don't send help, send another bottle please

[Bridge: Duddy B]

And we'll sing but just as loud as we please  
But then we will be, forever so free

So come follow me, cabin by the sea

[Chorus: Dirty J]

Picture you and me in the cabin by the sea  
You paint the fence, I'll hang the tire from the tree  
Our friends are all around, and the storm was a no show  
Said we look better in the black and white photo  
Picture you and me in the cabin by the sea  
Sit up on a porch and we can burn a couple trees  
Our friends are all around, and the storm was a no show  
Said we look better in the black and white photo  
What the photograph don't show, is where we're headed tomorrow  
And when we have to go, we'll always be together in the black and white photo  
Said we look better in the black and white photo

[Outro: Dirty J]

And when the sun goes down  
We can start a fire to sit around  
When the sun goes down  
We can start a fire, start a fire  
When the sun goes down  
We can start a fire to drink around  
When the sun goes down  
We can start a fire, start a fire  
When the sun goes down  
We can start a fire to sing around  
When the sun goes down  
We can start a fire, start a fire
