

# Fine China

Chris Brown

Baby does he do it for ya  
When he's finished, does he step back and adore ya I just gotta know cause your time is money  
And I won't let him waste it Ooh no nooo  
Baby just go with it  
Cause when your with me I can't explain it  
It's just different  
We can take it slow  
Or act like your my girl let's skip the physics He's so replaceable  
Your worth the chase, your good enough It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable, a collectible  
Just like fine China  
Favorite  
Your my favorite  
It's like all the girls around me, don't have faces  
And they say it goes, Life if just a game but I'm not playing  
Oh woah He's so replaceable  
Your worth the chase, your good enough It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable, a collectible  
Just like fine China It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable, a collectible  
Just like fine China  
Took me awhile to find your love  
Ain't no amount of time in this world  
Give me a lot of time and just love me  
Daily baby, daily in your soul  
Are you ready?  
I know your heart been telling you, you been wrong for me  
But I'm not, noo  
It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable, a collectible  
Just like fine China
