

This City Remix (feat. Kane Brown)

[Sam Fischer](#)

I've been seeing lonely people in crowded rooms
Covering their old heartbreaks with new tattoos
It's all about smoke screens and cigarettes Looking through low lights at silhouettes
But all I see is lonely people in crowded rooms This city's gonna break my heart
This city's gonna love me, then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart, oh
Yeah, hmm
Qué rápido ha pasado el tiempo
Y eso que apenas van tres días
Yo sé que el camino es largo todavía
Y a veces me da miedo cuando paro en seco y veo
Que rápido ha pasado el tiempo
This city is tryin' to push me and pull me
And I'm just tryin' to push her and pull her back
Soy una hormiguita en una ciudad de elefantes
Yeah-eh-eh This city's gonna break my heart
This city's gonna love me, then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart, ooh
Oh-oh-oh-oh-ooh-ooh-ooh, ooh
Oh-oh-oh-oh-ooh-ooh-ooh She got a hold on me (got a hold on me)
She got me wrapped 'round her finger
She got a hold on me (She got a hold on me)
She got me wrapped 'round her finger (oh yeah) This city's gonna break my heart
This city's gonna love me, then leave me alone
This city's got me chasing stars
It's been a couple months since I felt like I'm home
Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart Oh-oh-oh-oh-ooh-ooh-ooh, ooh
Y que me va a romper el corazón (yeah)
Oh-oh-oh-oh-ooh-ooh-ooh, ooh This city's gonna break my heart
It's gonna break my heart (hey)
She's always gonna break your heart

It's gonna break my heart
