

# Crush

## Mandy Moore

Huh huh  
Yeah yeah yeah  
Huh huh You know everything that I'm afraid of  
You do everything I wish I did  
Everybody wants you  
Everybody loves you I know, I should tell you how I feel  
I wish everyone would disappear  
Every time you call me I'm too scared to be me  
And I'm too shy to say Ooh, I got a crush on you  
I hope you feel the way that I do  
I get a rush when I'm with you  
Ooh, I got a crush on you  
A crush on you  
You know, I'm the one that you can talk to  
Sometimes you tell me things that I don't wanna know  
I just want to hold you  
You say exactly how you feel about her  
I wonder, could you ever think of me that way? I got a crush on you  
I hope you feel the way that I do  
I get a rush when I'm with you  
Ooh, I got a crush on you  
A crush on you Ooh, I wish I could tell somebody  
But there's no one to talk to  
Nobody knows I've got a crush on you  
A crush on you  
I got a crush  
Hey  
Hey yeah  
Hey yeah aye  
I got a crush  
I got a crush on you You say everything that no one says  
I feel everything that you're afraid to feel  
I will always want you  
I will always love I got a crush on you  
I hope you feel the way that I do  
I get a rush when I'm with you  
Ooh, I got a crush on you  
A crush on you  
I got a crush on you  
I hope you feel the way that I do  
I get a rush when I'm with you  
Ooh, I got a crush on you

Yeah yeah, aye aye yeah  
I got a crush I got a crush on you  
I got a crush  
I got a crush, baby  
I got a crush on you  
Got a crush on you
