

Keep Up (feat. JME)

KSI

What's going on these days?
People are getting famous from YouTube? I mean have you heard of that guy? KSI? all-all-all-
all we really wanna know is can you keep up? Keep up
Can you-can you keep up?
Keep up
Can you-can you keep up?
Keep up
Can you-can you keep up?
All we really wanna know is can you keep up?
