

Something I Can Never Have

Nine Inch Nails

I still recall the taste of your tears.
Echoing in your voice just like the ringing in my ears.
My favorite dreams of you still wash ashore.
Scraping through my head 'till I don't want to sleep anymore. You make this all go away.
You make this all go away.
I'm down to just one thing.
And I'm starting to scare myself.
You make this all go away.
You make this all go away.
I just want something.
I just want something I can never have
You always were the one to show me how
Back then I couldn't do the things that I can do now.
This thing is slowly taking me apart.
Grey would be the color if I had a heart. Come on tell me
You make this all go away.
You make this all go away.
I'm down to just one thing.
And I'm starting to scare myself.
You make this all go away.
You make this all go away.
I just want something.
I just want something I can never have. In this place it seems like such a shame.
Though it all looks different now,
I know it's still the same
Everywhere I look you're all I see.
Just a fading fucking reminder of who I used to be.
Come on tell me
You make this all go away.
You make this all go away.
I'm down to just one thing.
And I'm starting to scare myself.
You make this all go away.
You make this all go away.
I just want something.
I just want something I can never have I just want something I can never have
