

# Reckless

Arin Ray

Da-da da da-da-da-da

Da-da da da-da-da-da

Da-da da da-da-da-da

Da-da da da-da-da-da

Say what's on your mind so I get the message (Uh)

Just give me a time when you need a blessin' (A blessin')

I need you right now, yeah, you and your best friend (And your best friend)

You talk a good game, but I leave you restless

Don't talk to me reckless, don't test me

Wait, she don't even mind one of one

But she don't even mind all the fun

I want to see, but I might just wait

Give her all the time that she want

Fuck her all night if she want

I want this too, but I might just wait

What I gotta do to see you naked?

But even if I don't get to see it

I, I got five of 'em waitin' outside, and they ready to go (Uh)

We outside if you ready to go

Need my money on time, have it ready to go (Uh)

In my right hand

I got five of 'em waitin' outside, and they ready to go (Uh)

We outside if you ready to go

Bitch, listen, have it ready to go (Uh)

In my right hand

Ayy, ayy, in my right hand

Ayy, ayy, in my right hand

Got a bad lil'... in my right hand

Got a brand new thing for my right hand, yeah

In my right hand

New drip, blue strips in my right hand

Got a bad lil'... in my right hand

Got a brand new thing for my right hand

I'm about ten minutes from the exit

If you ain't down, I'ma hit the next chick, and the next chick

It's a party downtown where you find the best shit (Only the best shit)

Hope a nigga know now I ain't nothin' to mess with (Mess with)

I'm nothin' to mess with

You know I get reckless

Wait, she don't even mind one of one (One of one)

But she don't even mind all the fun (All the fun)

I want to see, but I might just wait (But I might have to wait)

Give her all the time that she want

Fuck her all night if she want (She want)

I want this too, but I might just wait

What I gotta do to see you naked? (To see you)

But even if I don't get to see it

I, I got five of 'em waitin' outside, and they ready to go (Uh)

We outside if you ready to go

Need my money on time, have it ready to go (Uh)

In my right hand

I got five of 'em waitin' outside, and they ready to go (Uh)

We outside if you ready to go

Listen, listen, have it ready to go (Uh)

In my right hand

Ayy, ayy, in my right hand

Ayy, ayy, in my right hand

Got a bad lil'... in my right hand

Got a brand new thing for my right hand, yeah

In my right hand

New drip, blue strips in my right hand

Got a bad lil'... in my right hand

Got a brand new thing for my right hand

Da-da da da-da-da-da

Da-da da da-da-da-da

Da-da da da-da-da-da

Da-da da da-da-da-da

Da-da da da-da-da-da
