

Rather Be Broke

Jordan Fletcher

[Verse 1]

If I had a Rolex weighin' down my wrist
If I could write checks with a bunch of zeros in it
If I had a G5 flyin' high, ten-figure dollar signs
Like a billionaire, but you weren't there

[Chorus]

I'd rather be broke
Penny pinchin' just to stay afloat
Instead of wishin' for the stuff I don't need
'Cause I got you and, baby girl, you got me
If I had to choose a big house with an ocean view
And bein' rich or bein' with you alone, holdin' me close
On a hand-me-down couch at home
I'd rather be broke (Broke)
I'd rather be broke (Broke, yeah)

[Verse 2]

I'd trade a downtown bar for our back porch
Y?ah, they got five stars, but we got a coupl' million more
I could have the world, but to me, it wouldn't matter
Without you girl, yeah

[Chorus]

You know I'd rather be broke
Penny pinchin' just to stay afloat
Instead of wishin' for the stuff I don't need
'Cause I got you and, baby girl, you got me
If I had to choose a big house with an ocean view
And bein' rich or bein' with you alone, holdin' me close
On a hand-me-down couch at home
I'd rather be broke (Broke)
I'd rather be broke (Broke, yeah)

[Chorus]

Said I'd rather be broke
Penny pinchin' just to stay afloat
Instead of wishin' for the stuff I don't need
'Cause I got you and, baby girl, you got me
If I had to choose a big house with an ocean view
And bein' rich or bein' with you alone, holdin' me close
On a hand-me-down couch at home
I'd rather be broke (Broke)
I'd rather be broke (Broke, yeah)

Yeah, I'd rather be broke (Broke)
I'd rather be broke
