

If God Spoke

Chloe x Halle

[Verse 1]

I remember when you said to me, oh
There's a fountain filled with golden rings, oh
Make a wish any day
You'll be praising my name
Make a wish any day

[Refrain]

Oh you pray to me, Won't you write your song
And sing along
Ah, ah
There's a way to...
There's a way to...
There's a way to..

[Verse 2]

I remember when you yelled at me, oh
Cursed my name and then you stomped your feet, oh
It will come any day
Just be patient and wait
You are my little baby
What I plan for you will be crazy
Few more minutes be patient
Make a wish anyway

[Break]

Oh, Oh, Oh
There's a way to...

[Outro]

Wait now, I, only wait on me babe, only wait on me baby
(Wait, Wait)
Only wait on me babe, only wait on me
Wait now, I, only wait on me babe, only wait on me baby
(Wait, Wait)
Only wait on me babe, only wait on me
Wait now, I, only wait on me babe, only wait on me baby
(Wait, Wait)

Only wait on me babe, only wait on me baby
