

Trip Like I Do

The Crystal Method

(with filter from spawn soundtrack)

(taken from the the dark crystal movie. thanks to mike bishop for the source info)

Another world

Another time

In the age of wonder

Another world

Another time

This land was green & good

Until the crystal cracked

Once more

They will replenish themselves

Cheat death again

The power of their source

The crystal

(*read the full text here)

I've got the understanding of a 4-year-old

I've got the peice of mind of a killer soul

I've got the rationale of a new york cop

I've got the patience of a chopping block yeahtrip like I doTrip like I do (oh my God this is the best)Uh

I want you to trip like me I want you to have fun

Me & youI've got the accumen of a seasoned pro

I've got the lack of say of a billion souls

I've got the world on my back but I don't seem to care

I've got the comprehension of a world unaware yeahTrip like I do

Trip like I do (oh my God this is the best)

Trip like I do (mm.i want you to trip like I do)Can't you can't you trip like I do

Can't you can't you trip like I do

Laid down my back I can't sleep cause I'm falling

Eyes in my teeth I can't see cause I'm eating

Head full of noise I can't think cause it's crushing

Back on my feet like a freight trian I'm coming

Can everybody feel like I do

Can everybody feel like I do (oh my God)Can't you can't you trip like I do

Can't you can't you trip like I do (oh my God)Can't you trip can't you think can't you feel like I do

Can't you walk can't you breathe can't you trip like I do... like me...
