

# Dance with Me

## Diplo, Thomas Rhett & Young Thug

Had another dream, about you  
These days, only thing I do  
We've been standing in, the same room  
People talking, but I don't want to  
It's in one ear, and out the other  
I see you lookin' at me, but you with another  
Goes in one ear, and out the other  
Both eyes open, and I can hear em' sayin'  
Dance with me, dance with me  
Play that song like baby, one, two, three  
Come in close, and give me your body  
Let's take it so far, so far, there's nowhere left to go  
Dance with me, dance with me  
Play that song like baby, one, two, three  
Come in close, and give me your body  
Let's take it so far, so far, there's nowhere left to go  
Na-na-na-na, na-na-na-na  
Na-na-na-na, nowhere left to go  
Na-na-na-na, na-na-na-na  
Na-na-na-naNa-na-na-na, na-na-na-na (na-na)  
Heard you read her text, and didn't reply  
Looked your name up in the index and I didn't know why  
Had no choice but let you splurge it, baby, yeah, aight  
Wants money to buy a chopper, not no ten-speed  
I'm moody baby, don't you tease me  
I wanna know if you was into me  
Or you just saw me move my equations up by deci's  
Dance with me, dance with me  
Play that song like baby, one, two, three  
Come in close, and give me your body  
Let's take it so far, so far, there's nowhere left to go  
Dance with me, dance with me  
Play that song like baby, one, two, three  
Come in close, and give me your body  
Let's take it so far, so far, 'cause girl I got to know  
Na-na-na-na, na-na-na-na  
Na-na-na-na, nowhere left to go  
Na-na-na-na, na-na-na-na  
Na-na-na-naStarted two strangers on the back of a bus  
Had a good time, had a heck of a rush  
Sometimes a memory is never enough  
It's never enough, it's never enough, no  
Started two strangers on the back of the bus  
Had a good time, had a heck of a rush  
Sometimes a memory is never enough

It's never enough, it's never enough, no  
Dance with me, dance with me  
Play that song like baby, one, two, three  
Come in close, and give me your body  
Let's take it so far, so far, there's nowhere left to go  
Na-na-na-na, na-na-na-na  
Na-na-na-na, nowhere left to go  
Na-na-na-na, na-na-na-na  
Na-na-na-na (nowhere left to go)  
Na-na-na-na, na-na-na-na  
Na-na-na-na, nowhere left to go (na-na)  
Na-na-na-na, na-na-na-na  
Na-na-na-na, nowhere left to go  
Oh, oh, oh, oh
