

Fortune Teller

Maroon 5

[Verse 1]

I'm not a fortune teller, I won't be bringing news
Of what tomorrow brings, I'll leave that up to you
I'm not a fortune teller, don't have crystal ball
I can't predict the future, can't see nothing at all
It doesn't mean I'm afraid of all the things that you say
But I just think we should stay stuck in the moment today
And as the seasons roll by, no matter how hard I try
Summer will end and the leaves will turn again

[Pre-Chorus]

I don't know why you're acting like this
I don't know why you had to do it again
Why'd you have to go and ruin the night
Don't worry about tomorrow's mess

[Chorus]

I'll never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I'll never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller

[Verse 2]

I don't like watching TV, I don't know what it all means
And your American dream, baby, it just isn't me
I know what I'm thinking may not be on your mind
I know the song I'm singing is not your favorite kind
It doesn't mean I'm afraid of all the things that you say
But I just think we should stay stuck in the moment today
And as the seasons roll back, no matter how hard I try
Summer will end and the leaves will turn again

[Pre-Chorus]

I don't know why you're acting like this
I don't know why you had to do it again
Why'd you have to go and ruin the night
Don't worry about tomorrow's mess

[Chorus]

I'll never know how the future will go

I don't know what to tell you, I'm not a fortune teller
I'll never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller

[Bridge]

This feeling keeps growing
These rivers keep flowing
How can I have answers
When you drive me in questions?

[Chorus]

I'll never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I'll never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller
I'll never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I'll never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller
