

Houdini (feat. Swarmz & Tion Wayne)

KSI

Oh, na, nah, you don't wanna ramp with me
Oh, la, la, run up on man, and squeeze (I squeeze)
Easy peasy squeezezy (Ayy) Talking bad until you see me (Ayy)
Make man, just like Houdini (Then I pump it with the bae, squeeze it, blow them away,
ay) Ayy, ayy, ayy
Bring that ting in the place where you're needed (Bring it)
Big ting, make me wanna bust when I beat it (Dirty)
Me no even care if you're fake or the real
I just wanna get a feel of that booty that you treating, oh
Why you wanna play that hard to get?
My fourth letter gettin' bigger in the alphabet
My dumb figure movin' silly when you come correct
But she on fleek, check, booty check
Breath check, money check
Later in the night she a freak, check (Ayy, man)
Winnin' everythin' that I'm throwin' (Jeez)
Got a cuban for the neck, gold glowing (Uh, uh)
Really only want a bad ting (Bad ting)
Make me wanna do a mad ting (Mad ting)
See me when I'm on my Don King
And I kill it with the millies, so I get another ring for the bae
Oh, na, nah, you don't wanna ramp with me
Oh, la, la, run up on man, then squeeze
Easy peasy squeezezy
Talkin' bad until you see me (Come on, come on)
Make man, just like Houdini (Yeah) T Wayne from the 9
She does a likkle tweet, tweet and a little snap, snap
Preeing up her Insta', all I do is tap, tap
I ain't into talking, but she make me chat-chat
Man would do anything, just so they could have that
See me, I do it better, she flexin' in my sweater
People, I can't trust them like the weather
Face Riri, got a body like she Mennah (Mennah)
Money on a B-day, I don't do no letter
Love to spend grands (Money)
Got one young G, all he know is bang (boom)
Uptown function, but I'm with gang
All these broke yutes gassin' up 'Gram (bang)
Make no paper actin' on cam
Love a real deal, not a lie
I said "Let's have a dinner date in Dubai"
Girl bust it down, look up like July

Got girl at the table, me, KSI
Oh, na, nah, you don't wanna ramp with me
Oh, la, la, run up on man, and squeeze (I squeeze!)
Easy peasy squeezezy (Ayy)
Talking bad until you see me (Ayy)
Make man, just like Houdini (Then I pump it with the bae, squeeze it, blow them away, ay)
Oh, na, nan, you don't wanna run with me
Oh, la, la, run up on man, then squeeze
Easy peasy squeezezy
Talkin' bad until you see me
Make man, just like Houdini
