

So Sexual

Sisqó

Uh

Can you feel me baby

Ooh

Ooh

Yeah

Yeah yeah

Oooh

Oh yeah

Listen

It's givin me a chill

Every time I think

About the love we make

It makes my heart sink

Deep into my soul

Everywhere I go

I'm always thinkin of

When we make love

[BRIDGE]

Wanna go back to the day

When I touched ya girl in every way

Gotta take the chance to hear ya say

That you want me girl

Girl you know you rock my world

[CHORUS]

I can't eat can't sleep

You know that it's unnatural

Oh oh

What you do to me

You know that it's so sexual

Oh oh

What's come over me

Never thought that love could be so addicting

The feelin hurts so bad it makes my body weak

I can taste you even when you're not with me

Look what you've done to me

[BRIDGE]

[CHORUS]

Whoa

Ooh

Ooh

Baby

You are the only girl

I want ya in my world

You're where I want to be

Everything I need

[CHORUS (3x)]
