

We Found Love

[Sam Tsui](#)

We Found Love

Yellow diamonds in the light Now we're standing side by side As your shadow crosses mine
What it takes to come alive

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a
hopeless place We found love in a hopeless place

Shine a light through an open door Love a life I will divide Turn away 'cause I need you more
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a
hopeless place We found love in a hopeless place

Yellow diamonds in the light Now we're standing side by side As your shadow crosses mine

We found love in a hopeless place We found love in a hopeless place We found love in a
hopeless place We found love in a hopeless place

We found love in a hopeless place We found love in a hopeless place We found love in a
hopeless place We found love in a hopeless place
