

# Liar

Camila Cabello

I don't care, if you're here  
Or, if you're not alone  
I don't care, it's been too long It's kinda like we didn't happen  
The way that your lips move  
The way you whisper slow  
I don't care, it's good, it's gone (uh) I said, I won't lose control, I don't want it (ooh)  
I said, I won't get too close but I can't stop it Oh, no, there you go, making me a liar  
Got me begging you for more  
Oh, no, there I go, startin' up a fire, oh, no, no (oh, no)  
Oh, no, there you go, you're making me a liar, I kinda like it though  
Oh, no, there I go, startin' up a fire, oh, no, no (ooh)  
You're watching, I feel it (hey)  
I know I shouldn't stare (yeah, yeah)  
I picture your hands on me  
I think I wanna let it happen  
But what if, you kiss me? (Yeah)  
And what if, I like it?  
And no one sees it I said, I won't lose control, I don't want it (ooh)  
I said, I won't get too close but I can't stop it (no) Oh, no, there you go, making me a liar  
Got me begging you for more  
Oh, no, there I go, startin' up a fire, oh, no, no (oh, no)  
Oh, no, there you go, you're making me a liar, I kinda like it though  
Oh, no, there I go, startin' up a fire, oh, no, no  
Oh, no, no, no  
Here comes trouble, no, no  
Startin' up a fire  
I don't believe myself when I say  
That I don't need you, oh  
I don't believe myself when I say  
So, don't believe me Oh, no, there you go, you're making me a liar  
Got me begging you for more  
Oh, no, there I go, startin' up a fire, oh, no, no (oh, no)  
Oh, no, there you go, making me a liar, I kinda like it though  
Oh, no, there I go, startin' up a fire, oh, no, no Yeah  
Uh, yeah, yeah  
Nah, yeah  
Oh, no, no, no  
Oh, no, no, no  
Oh, no, you're making me a liar  
'Cause my clothes are on the floor  
Huh, huh, huh  
Uh

Oh, no, no, no  
Another fire
