blazed (feat. Pharrell Williams)

Ariana Grande

[Chorus: Pharrell Williams & Ariana Grande]
There is somethin' between us, I can see it right now
Your magnetic demeanor, that's something can't be found
I thought that I was dreamin' 'til my love came around
Now I just come on over, show you how we get down
Shawty, you can get blazed[Verse 1: Ariana Grande]
I can't believe that you are here, I can't believe it's happening
What are the odds that you'd appear?
The universe so vast to me
Seven billion is on the Earth
Could've been anywhere, but you're here with me
Should I play Lotto? What's it worth?
I must be on, so clear to me
[Pre-Chorus: Ariana Grande]
Once I have you, I will never let you, never let you
Once I have you, I will never let you, never let you go
Never let you, never let you go
Never let you, never let you go
Never let you, never let you go
Never let you[Chorus: Pharrell Williams & Ariana Grande]
There is somethin' between us, I can see it right now
Your magnetic demeanor, that's something can't be found
I thought that I was dreamin' 'til my love came around
Now I just come on over, show you how we get down
Shawty, you can get blazed
[Verse 2: Ariana Grande]
Look at you, love, you are the same
You have a light you cannot hide
Yes, you may have a different face
But your soul is the same inside
I don't care who is listening
'Cause they be making fun of this on TV
They wouldn't laugh if they were inside my past life
With you and they were me[Pre-Chorus: Ariana Grande]
Once I have you, I will never let you, never let you
Once I have you, I will never let you, never let you go
Never let you, never let you go
Never let you, never let you go, oh
Never let you, never let you go, yeah
Never let you[Bridge: Pharrell Williams & Ariana Grande]
Don't think that it cannot happen, 'cause it can
Shawty, you can get blazed

Sleep if you want, and wake up in love again
Shawty, you can get blazed[Outro: Ariana Grande & Pharrell Williams]
Once I have you, I will never let you, never let you
Once I have you, I will never let you, never let you go
(Shawty, you can get blazed)
Never let you, never let you go
Never let you, never let you go
Never let you, never let you go
Never let you
