

# Miss You, Goodbye

K. Michelle

I miss you in the day,  
I miss you in the night,  
I miss the way we used to talk,  
But I don't miss your lies.  
I miss the way we laughed,  
You used to make me smile,  
Maybe you'll see what we can be  
And then you'll come around.Ohh I needed love  
Ohh I was in and up,  
Ohh you can't say I didn't try,  
It might make me cry.  
Ohh it's gon' hurt no lie  
Miss you one goodbye.  
I wish that you could change  
But I don't think you can.  
I wish that you could feel this pain,  
So you could understand.  
I hate you're not the one,  
I hate you're moving on,  
Cause my bed it was made for two,  
But I sleep here alone.Ohh I needed love  
Ohh I was in and up,  
Ohh you can't say I didn't try,  
It might make me cry.  
Ohh it's gon' hurt no lie  
Miss you one goodbye.  
And I hold on to the mile,  
And I pick up and I dial,  
But I wanna, yeah I wanna, yeah I wanna-na.  
If theres any hope,  
My head says let it go,  
My heart says fight for, fight for who you love,  
But I'm giving up.I needed love  
Ohh I was in and up,  
Ohh you can't say I didn't try,  
It might make me cry.  
Ohh it's gon' hurt no lie  
Miss you one goodbye.
