

# Smile

## Florida Georgia Line

[Intro]

Uhh, come on

[Verse 1]

Got on my smell good, got a bottle of feel good  
Shinin' my wheels good, you're lookin' real good  
Take a stack of cash out, I'm 'bout to blast out  
Til I run the gas out, I'm goin' all out  
All I want to see is you have a good time  
No, I don't care if it takes me all night

[Chorus]

I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waitin' is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl, all I want, is just to see you smile  
That pretty little smile

[Verse 2]

I'll take you out there, in the middle of nowhere  
Let down your blonde hair, breathe in that midnight air  
Girl, we can take a trip, to the river and take a sip  
Do a little back flip and kiss kiss kiss your lips

[Chorus]

I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waitin' is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl, all I want, is just to see you smile  
That pretty little smile

[Bridge]

Girl, I just wanna make you dance  
Give you the best night you ever had  
Oh, and girl, I want it bad, bad, bad, oh

[Chorus]

I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waitin' is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl, all I want, is just to see you smile  
That pretty little smile  
That pretty little smile, yeah, yeah

[Outro]

You lookin' good, girl  
Come on  
Give me that smile, girl
