

Honeymoon Avenue

Ariana Grande

I looked in my rear view mirror and
It seemed to make a lot more sense
Than what I see ahead of us
Ahead of us
yeah
I'm ready to make that turn
Before we both crash and burn
Cause that could be the death of us
The death of us
Baby you know how to drive in rain
And You decided not to make a change
Stuck in the same old lane
Going the wrong way home I feel like my heart is stuck in
bumper to bumper
Traffic, I'm under
pressure
cause I can't have you
The way that I want
Let's just go back to the way it was When we were on
Honeymoon Avenue
Honeymoon Avenue
Baby
coastin' like crazy
Can we get back to the way it was
Hey
What happened to the butterflies
Guess they didn't count at that stop sign
And my heart is at a yellow light
A yellow light
Hey
Right when I think that we found it
Well that's when we start turnin' around
You're saying baby don't worry
But we're still going the wrong way Baby you know how to drive in rain
And you decided not to make a change
Stuck in the same old lane
Going the wrong way home I feel like my heart is stuck in
bumper to bumper
Traffic, I'm under
pressure
cause I can't have you
The way that I want

Let's just go back to the way it was When we were on
Honeymoon Avenue
Honeymoon Avenue
Baby
coastin' like crazy
Can we get back to the way it was They say only fools fall in love
Well they must've been talking about us
And sometimes I feel like
I've been here before
I could be wrong, but I know I'm right
We gon' be lost
if we continue to fight
Honey I know
Yeah, we can find our way home I feel like my heart is stuck in
bumper to bumper
Traffic, I'm under
pressure
cause I can't have you
The way that I want
Let's just go back to the way it was When we were on
Honeymoon Avenue
Honeymoon Avenue
My baby
coastin' like crazy
Can we get back to the way it was When we were on
Honeymoon Avenue
Honeymoon Avenue
Baby
coastin' like crazy
Can we get back to the way it was Baby you know how to drive in rain
And you decide not to make a change
Stuck in the same old lane
Going the wrong way home I feel like my heart is stuck in...
Traffic, I'm under...
Pressure
Pressure
Let's just go back to the way it was
When we were on
(Honeymoon Avenue)
(Honeymoon Avenue)
(Honeymoon Avenue)
(Honeymoon Avenue)
(Avenue)
Let's just go back
Back, back, back
