

# Devour

## Shinedown

[Verse 1]

Take it and take it and take it and take it and take it all  
Take it and take it and take it, until you take us all  
Smash it and crash it and thrash it and trash it, they're only toys

Try it, you'll like it, don't hide it, don't fight it, just let it out  
Steal it and shoot it and kill it, or take another route  
Take it and take it and take it, you know they're only toys

[Chorus]

Devour, devour  
Suffocate your own empire  
Devour, devour  
It's your final hour  
Devour, devour  
Stolen like a foreign soul  
Devour, devour  
What a way to go

[Verse 2]

You want it, you want it, you want it, you want it? Well here it is  
Everything, everything, everything isn't so primitive  
Take it and take it and take it and take it and take it all

Nobody, nobody wants to feel like this  
Nobody, nobody wants to live like this  
Nobody, nobody wants a war like this

[Chorus]

Devour, devour  
Suffocate your own empire  
Devour, devour  
It's your final hour  
Devour, devour  
Stolen like a foreign soul  
Devour, devour  
What a way to go

What a way to go!

[Bridge]  
Diving down  
Round and round  
Diving down  
Round and round

[Chorus]  
Devour, devour  
Suffocate your own empire  
Devour, devour  
It's your final hour  
Devour, devour  
Stolen like a foreign soul  
Devour, devour  
What a way to go

[Chorus]  
Devour, devour  
Suffocate your own empire  
Devour, devour  
It's your final hour  
Devour, devour  
Stolen like a foreign soul  
Devour, devour  
What a way to go

What a way to go!
