

# Look Through Any Window

## The Hollies

Look through any window, yeah  
What do you see?  
Smilin' faces all around  
Rushin' through the busy town

(Where do they go?) Movin' on their way  
Walkin' down the highways and the byways  
(Where do they go?) Movin' on their way  
People with their shy ways and their sly ways

Oh, you can see the little children all around  
Oh, you can see the little ladies in their gowns when you

Look through any window, yeah  
Any time of day  
See the drivers on the roads  
Pullin' down their heavy loads

(Where do they go?) Movin' on their way  
Drivin' down highways and the byways  
(Where do they go?) Movin' on their way  
Drivers with their shy ways and their sly ways

Oh, you can see the little children all around  
Oh, you can see the little ladies in their gowns when you

Look through any window, yeah  
What do you see?  
Smilin' faces all around  
Rushin' through the busy town

(Where do they go?)  
Movin' on their way  
Movin' on their way  
Movin' on their way
