

# Kamikaze

## WALK THE MOON

[Verse 1]

Here in this room  
Chasing down my demons  
I can hear them breathing  
Who knew  
You could be my comfort  
You could bring me healing[Pre-Chorus]  
If my friends gonna let me slide  
How come you never left my side?  
Before I go make it last all night  
While I slip into the great divide

(Woman)

[Chorus]

Stepping out of body  
No matter what you call it  
I'm a kamikaze  
Abandon all your logic  
And put your money on it  
I'm a kamikaze  
Going down with my wings on fire  
Guess I'll see you in another life  
Stepping out of body, you can tell everybody  
Mama I'm a kamikaze[Verse 2]

All is not lost

My enemies are seething  
I can feel the freedom  
Let them talk  
It's not about the crown  
We could share the kingdom

[Bridge]

Stepping out of body  
No matter how you call it  
This is suicidal honey  
Nothing you can do about it  
Let me take the check with the reckless abandon on it  
Just call me kamikaze
