

Push

Matchbox Twenty

She said I don't know if I've ever been good enough
I'm a little bit rusty, and I think my head is caving in
And I don't know if I've ever been really loved
By a hand that's touched me
And I feel like something's gonna give And I'm a little bit angry... well,
This ain't over, no, not here
Not while I still need you around You don't owe me, we might change... yeah,
Yeah, we just might feel good
I wanna push you around
Well I will, Well I will
I wanna push you down
Well I will, Well I will
I wanna take you for granted
I wanna take you for granted
Yeah, yeah, well I will She said I don't know why you ever would lie to me Like I'm a little
untrusting when
I think that the truth is gonna hurt ya
And I don't know why you couldn't just stay with me
You couldn't stand to be near me When my face don't seem to want to shine
'Cause it's a little bit dirty... well,
Don't just stand there, say nice things to me
'Cause I've been cheated, I've been wronged and you,
You don't know me, yeah well I can't change I won't do anything at all
I wanna push you around
Well I will, Well I will
I wanna push you down
Well I will, Well I will
I wanna take you for granted
I wanna take you for granted
Yeah, yeah, well I will Oh, but don't bowl me over
Just wait a minute, well, it kinda fell apart things
Get so crazy, crazy
Don't rush this baby
Don't rush this baby, baby
I wanna push you around
Well I will, Well I will
I wanna push you down
Well I will, Well I will
I wanna take you for granted, yeah, yeah, yeah
I wanna take you, take you
Yeah, well I will
I will, I will, I will, yeah

Well I will, I will, I will, yeah
Push you around
And push you down
I wanna push you around
Well I will.
