

# How Many Drinks? (feat. Kendrick Lamar)

## Miguel

Frustration (watching you dance)  
Hesitation (to get in them pants)  
Come closer baby (so I can touch)  
One question: Am I moving too fast? Cause' I ain't leaving alone  
I feel like I could be honest babe  
We both know that we're grown  
That's why I wanna know  
How many drinks would it take you to leave with me?  
Yeah you look good, and I got money  
But I don't wanna waste my time  
Back of my mind, I'm hoping you say two or three  
You look good; we came to party  
But I don't wanna waste my time  
Temptation (is calling your name) Sweet persuasion, oh (baby this is a game)  
Come closer baby (if you like what you hear)  
Impassioned (is what I'm making you feel)  
Cause' I ain't leaving alone  
I feel like I could be honest babe  
We both know that we're grown That's why I wanna know  
How many drinks would it take you to leave with me?  
Yeah you look good, and I got money  
But I don't wanna waste my time  
Back of my mind, I'm hoping you say two or three  
You look good; we came to party  
But I don't wanna waste my time  
waste my time  
Aha, and what do we have  
Your empty heart and my empty bottle and yellow cab  
That you are likely to catch cause your latest ex made you mad  
So I figured the perfect catch would be you if I made the pass  
Pool full of liquor then we dive - in it  
Knowing if I lick her I might die - in it  
Then reincarnate as a fly - gymnast  
Just to flip my tongue on you This the Olympics  
State your name, live in the moment  
It's your time to own it, I see it in you babe  
She tell me that she never get a first let away And life is a bitch, but every dog has its day  
Holla pull up, pull up, bring it back, come rewind. Um  
Pull up them bittracks, that pack come behind. Um  
Pool full of liquor then we dive - in it  
Pull up to the side let me slide up in it  
Or waste your time, or waste your time

Or waste our time, baby it's alright  
Baby it's alright, baby it's alright, yeah  
Oh it's alright now  
Alright, oh yeah  
I don't wanna waste my time, no  
I don't wanna waste no time, oh no  
I don't wanna waste your time, baby  
I don't wanna waste our time, Oh my time, Oh whaaa  
How many drinks would it take you to leave with me? (oh yeah)  
Yeah you look good, and I got money  
But I don't wanna waste my time (come wit' me baby)  
Back of my mind, I'm hoping you say two or three  
(yeah it's just a short drive home from here)  
You look good; we came to party  
But I don't wanna waste my time  
Waste my time  
No-no-no. I ain't judgin' if you do decide that you might be \_\_\_ing tonight  
What? More power to you if you do decide that you might be \_\_\_ing tonight  
I ain't judgin' if you do decide that you might be \_\_\_ing tonight  
What? More power to you if you do decide that you might be \_\_\_ing tonight
