

# It Takes Two

Tina Turner & Rod Stewart

One can have a dream, baby  
Two can make a dream so real  
One can talk about living love  
Two can see how it really feels  
One can wish upon a star  
Two can make a wish come true, yeah  
And one can stand alone in the dark  
Two can make the light shine through  
It takes two baby  
It takes two baby  
Just me and you  
You know it takes two  
One can have a broken heart  
Living in misery  
Two can really ease the pain  
Like a perfect remedy  
One can be alone in a bar  
Like an island here all alone  
Two can make just any place  
Seem just like being at home  
It takes two, baby  
It takes two, baby  
Just me and you  
You know it takes two  
It takes two, baby  
Just me and you  
You know it takes two  
Oh, it takes two, baby  
It takes two, baby  
Just me and you  
You know it takes two  
One can go out to the movies  
Looking for a special treat  
Two can make that scene in the movies  
Something really kind of neat  
And one can take a walk in the moonlight  
Thinking that it's really nice  
But two lovers walking hand in hand  
Is like adding just a pinch of spice  
It takes two, baby  
It takes two, baby  
Just me and you  
You know it takes two  
It takes two, baby  
Just me and you, had it  
You know it takes two  
It takes two, baby  
Just me and you

You know it takes two
