

Burnin' Up (feat. 2 Chainz)

Jessie J

Walking through the fire, Please don't let me go.
Take me to the river, I need you to know
I'm burnin' up, come put me out, come put me out
I'm burnin' up, come put me out, come put me out
Out in the kitchen like a thousand degrees, that's how I'm feeling when you're next
to me I got a fever, tell me what did you do?
Temperature rising when I look at you, look at you
So criminal, sex
Trippin' in, sweat I'm losing my, breath
Look what I've found
It's 'bout to go down I want it right now
Walking through the fire, Please don't let me go.
Take me to the river, I need you to know
I'm burnin' up, come put me out, come put me out
I'm burnin' up, come put me out, come put me out
I'm burnin' up, come put me out, come put me out
I'm burnin' up, come put me out, come put me out
I've got the matches, you've got the gasoline
Light up the floor like it's Billie Jean
No way we're moving by the end of the sun They're gonna have to pull the fire, f-fire below
So criminal, sex
Trippin' in, sweat
I'm losing my breath Look what I've found
It's 'bout to go down
I want it right now Walking through the fire (walking through the fire)
Please, don't let me go (please, don't let me go)
Take me to the river (take me to the river)
I need you to know (I need you, I need you to know)
2 Chainz!
Everything hot like it fresh out the grill, million dollar grill look fresh on the
hill Plus I'm 6'5, she need to step in some heels
before you step up in here you need to step up your gear
wish a Lamborghini had four doors
From the corner store to the corridor
Me and my homie on the damn floor
White girl in the middle, looking like an Oreo
(I'm burnin' up)
2, 4, 5 we can burn up
Turn up for what nigga turn up
Mother fucker must learn no back in the day used to down with a burn
[?] got the Lord on the top floor
In a four [?] wearin' Tom Ford

Walk in the club and her ass start clappin'
Tell shawty I want a encore
Come put me out, come put me out
I'm burning up, come put me out, come put me out
come put me out, come put me out (I'm burning up)
Come put me out, come put me out
I'm burning up, come put me out, come put me out
I'm burning up, come put me out, come put me out
I'm burning up, come put me out, come put me out
I'm burning up, come put me out, come put me out
