

We Got the World

Icona Pop

They say you're a freak when we're having fun
Say you must be high when we're spreading love
But we're just living life and we never stop
We got the world
We got the wo-wo-wo-wo-wo...We can live fast, fly young
Everyday we celebrate just like we want
- Only you and I, DIW
We found a way to live the dream until we dieJust come into my arms
I will get you life drunk
We'll be burning ground
Us against the world tonight
They say you're a freak when we're having fun
Say you must be high when we're spreading love
But we're just living life and we never stop
We got the world
We got the wo-wo-wo-wo-wo...Black shades, bright nights
Back to back we'll do this 'til the end of time
You and I live don't learn
Everyday we fire it up and let it burnJust come into my arms
I will get you life drunk
We'll be burning ground
Us against the world tonightThey say you're a freak when we're having fun
Say you must be high when we're spreading love
But we're just living life and we never stop
We got the world
We got the wo-wo-wo-wo-wo...
They say you're a freak when we're having fun
Say you must be high when we're spreading love
But we're just living life and we never stop
We got the world
We got the world
We got the world
